CYF Graduates have  
great jobs in tech

1400%

Up to 1400% increase in  
annual income

# Employment paths

## Software Development

### Front-end Web Development

e.g. JS, React

### Backend Systems

e.g. Python, Java, C++, C#, SQL, NodeJS,

### Cloud Engineering / DevOps

### System Reliability Engineering (SRE)

### QA / QE Testing Engineering

### Product Management / Scrum Master

### UI / UX Design

# REACHING 50 CODEYOURFUTURE GRADUATE HIRES AT CAPGEMINI UK

Sally Caughey  
1 Apr 2022

After more than three years, our partnership with CodeYourFuture (CYF) recently achieved an exciting milestone when the 50th CYF graduate joined us on a permanent basis.

A photograph of two women sitting at a table in a meeting. The woman on the left has blonde hair and is wearing a yellow and blue plaid shirt. The woman on the right has dark curly hair and is wearing a dark top. They are both looking towards the right side of the frame. The background is a plain wall with a light fixture visible in the upper left corner.
