

Sometimes you need to be a Cruise Director

Oliver Meyn

Recursion®

Scene 1

Scene 2

What's wrong with these
people?!

*It's you, hi, you're
the problem
it's you*

Trust your gut

Break down the
problem

- Breaking down problems into manageable chunks is the greatest engineering superpower
- Trust your gut - you're StaffPlus, you've got this!
- Sometimes they need a Wizard, sometimes it's a Cruise Director
